

Using Oremus Bible Browser

- Click this link: <https://bible.oremus.org/> or type “oremus” into your search engine.
- Type “Proverbs” into the window and click “show passage.” You can use the buttons at the bottom to go back and forth between chapters.
- Make sure that you’re using the New Revised Standard Version (you choose the version in the second window).
- Feel free to play around with all the options. We will use this resource throughout our study.
